## COOLING PAD CP200

Quad fans

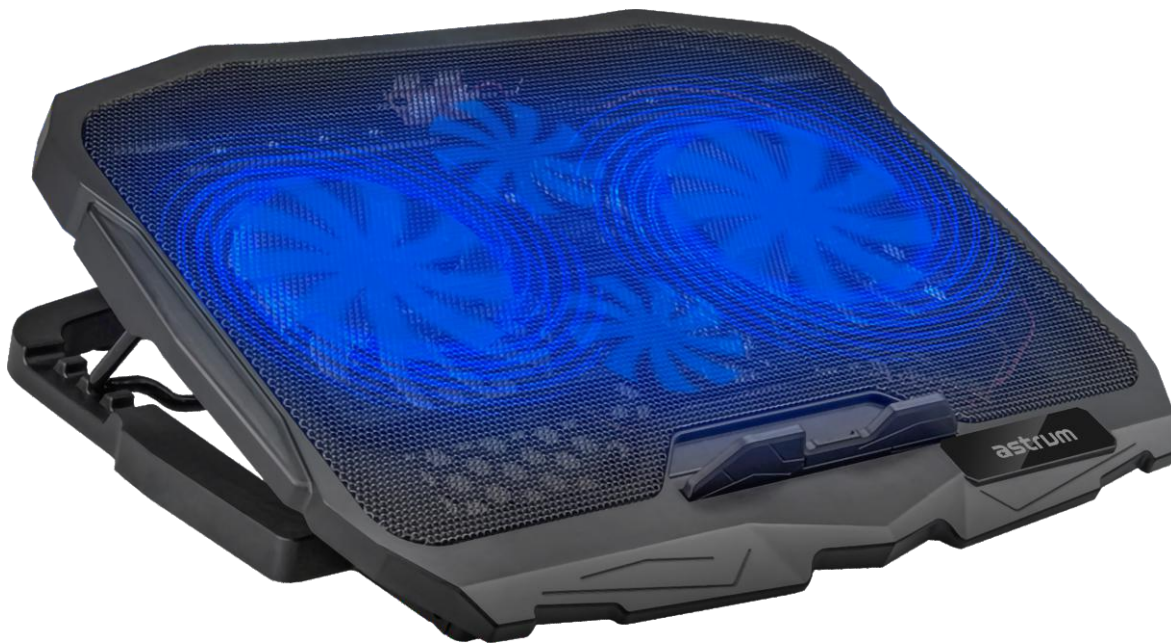

USB powered

LED light

Noise free

### 4-core deep cooling fans

Laptop cooling pad with four high speed wind force, combined with aerodynamic principles, 360-degree no dead ends take away heat, no freezes, no crashes, and a smoother gaming experience.

### Ergonomic design + Height adjustment

Equipped with ergonomic stand and different level adjustable height to help you get the most comfortable angle when playing games, watch videos or doing work for all-day reviewing.

### Silent heat dissipation design

The high-speed silent fan, combined with the principle of aerodynamics, will not interfere with your gaming experience even if it runs at high speed.

### Multi-size compatible design

It is suitable for full-size notebooks, and the heat dissipation effect of notebooks that exceed the radiator is equally strong.
